Dear Sir,

ACADEMIC REFERENCE FOR MR.ADEBANJO, OLATUNJI ADEBISI

I write to introduce Mr. **ADEBANJO, Olatunji**, who applied for Masters of Science in Computer Science at your esteemed university. I have known him for over four years in my capacity as his lecturer during his undergraduate studies. He graduated from the department of Electrical/Electronic Engineering with a Second Class (Honors) Upper Division Degree in Electrical/Electronic Engineering.

Mr. Adebajo is a remarkably talented and dedicated student, throughout the year he was an active participant in our class discussions and always supported his peers. He is known to be a take-charge person who successfully develops plans and implements them.

Mr. Adebajo is not just academically sound, he is intelligent and has shown great interest in research work. He has shown his prowess during his final year project and research activity where he diligently and confidently led a team. He is studious, a good student, and very reliable to work with.

I am certain Mr. Adebajo will continue to do great and creative things in the future and stand out as an individual at your school. It is for these reasons, I recommend him for a Master of Science in Computer Science at your esteemed university.

Yours Sincerely

Engr. Olawale O. Olaluwoye
